## **SEMESTER PROJECT**

### **Website Name**

**PalestinianAidhub.com**

### **Purpose**

1. Humanitarian Aid: Provide a platform to mobilize blood donations for Palestinians, addressing urgent medical needs and emergencies.
2. Financial Support: Facilitate fundraising efforts to gather funds for essential services, infrastructure, and support for Palestinian communities.
3. Awareness Campaigns: Raise awareness about the challenges faced by Palestinians, fostering empathy and understanding globally.
4. Community Engagement: Connect with a global audience committed to supporting the Palestinian cause, fostering a sense of solidarity and community.
5. Resource Hub: Serve as a centralized resource hub, offering information on the current situation, ongoing initiatives, and ways individuals can contribute.

### **Targeted Audience:**

- Individuals globally willing to donate blood or contribute financially to support Palestinians.
- Humanitarian organizations and NGOs interested in collaborating or contributing resources.
- Advocates and activists passionate about Palestinian rights.
- General public seeking information and avenues to make a positive impact in the Palestinian context.
